

HOW TO ORGANISE YOUR JEWELLERY COLLECTION? 6 BEST WAYS TO STORE AND ORGANISE YOUR JEWELLERY

By Ciero Jewels

- ▶ Jewellery is every woman's prized possession and they are connected to every single piece of their jewellery. Every single ornament has a story behind it, or a special occasion tagged to it. So, it is advisable to store these antique pieces of jewellery to prolong their age.
- ▶ There are different ways to store each metal e.g. **Customized Silver Jewellery** oxidises easily so it is wise to store them in airtight packaging, gold is a delicate metal so to store them use proper packaging appropriate to their size and shape, else they will get damaged. Here are some tips to store them.

CUSTOMIZED SILVER JEWELLERY

- ▶ Store similar pieces of jewellery together. Category all the types into gold silver and antiques, then sub-divide them into necklaces, rings, earrings, and other Kundan **Imitation Jewellery** and store them.

STORE LIKE CUSTOMIZED JEWELLERY
TOGETHER

- ▶ Store this precious **Customized Gold Jewellery** in transparent boxes or pouches where it is easy to see and accessible. You can buy jewellery organisers online from Amazon or any other store that is divided into sections. In each section keep them in pairs like rings, stud earrings, toe rings, etc. Large **Customized Jewellery** like necklaces, bangles, and big anklets, can be stored in big boxes or big transparent pouches.

USE TRANSPARENT BOXES

- ▶ There are various **Kundan Imitation Jewellery** storage trays and boxes available online. Get those organisers to keep them arranged on their dressing table or inside the drawers.

GET DIFFERENT STYLE STORAGE BOXES
ONLINE

- ▶ Keep your **Online Meenakari Jewellery** wrapped in cotton and packed in air-tight boxes as it oxidises over time.
- ▶ These are some basic handy storage ideas for your special jewellery picks. Make use of them and organise your wardrobe on weekends, so that you don't lose any pieces or forget about one. There are simple cleaning ideas also available on our website **Ciero Jewels** blog.

USE AIRTIGHT BOXES AND COTTON TO
PREVENT OXIDATION OF CUSTOMIZED
SILVER JEWELLERY
