

# THERMATLANTIC ENERGY PRODUCTS

---

We are the first HVAC manufacturer to offer internet-enabled heat pumps and develop hydronic cascade heat recovery and domestic hot water heat pumps that should prove to be more reliable.

# HEAT PUMPS

**RESIDENTIAL AIR  
TO WATER MODEL**

**DOMESTIC HOT  
WATER TANK  
HEATER - 80 USG**

# HYDRONIC PRODUCTS

**80 USG  
STAINLESS  
STEEL 4-  
PORT  
BUFFER  
TANK**

**120 USG  
STAINLESS  
STEEL 4-PORT  
BUFFER TANK**

**200 USG  
STAINLESS  
STEEL 4-PORT  
BUFFER TANK**

**40 USG  
STAINLESS  
STEEL  
SINGLE COIL  
INDIRECT  
TANK**

**DUAL  
STAINLESS  
STEEL  
BUFFER-  
INDIRECT  
TANK**

**120 USG  
STAINLESS  
STEEL  
DOUBLE COIL  
INDIRECT  
TANK**

# CONTROLS & METERING

HUMIDITY &  
TEMPERATURE  
DUCT SENSOR

POTABLE WATER  
METER

# **Our Services**

**In the fields it has pursued, ThermAtlantic has demonstrated its ability to innovate. More than ten years ago, before the term Internet of Things was coined, we were the first HVAC manufacturer to offer cloud monitoring services and internet-monitored heat pumps. More than ten years ago, we demonstrated that in low-temperature heating markets in North America, air-to-water heat pumps were both practical and more cost-effective than geothermal heat pumps.**
